

FACULTY PROFILE

2019

IIIT BHUBANESWAR

A University Established by Government of Odisha

Department Of Computer Science & Engineering and Information Technology

Ph No. - 0674-3060501
Email - gopal@iiit-bh.ac.in

Gopal Krishna Nayak

PGDM (IIM, Bangalore), Ph.D. (IIT, Kharagpur)
Director and Professor of Computer Science & Engineering

Dr. Nayak is one of the founding professors of Xavier Institute of Management, Bhubaneswar. He has spent over 19 years there. He held many leadership roles in XIM-B: Area Coordinator -Information Systems, Admissions Coordinator, Dean and Member of the Board. Before entering into academics, Dr. Nayak had spent a few years in the Industry. He enjoys playing with Technology and Programming. Two of his most significant creations are the Mandaar, an ERP system for Institutes of Higher Learning and the PAMIS, a Project based Accounting and Monitoring Information System. Prof. Nayak also provides strategic advice to IDCO, CESU and many other state Government Depts. His research interests include Data Analytics, Data Visualization, Process Mining and ERP. He is a professional member of Association of Computing Machinery (ACM), IEEE Computer Society & Society of Operations Management.

Ph No. - 0674-3060502
Email - ajit@iiit-bh.ac.in

Ajit Kumar Das

*M.Tech., Ph.D. **
Registrar and Professor of Computer Science & Engineering

Prof. Das has spent many years in the Industry & IT Promotion before stepping into academics. He held many top level management positions such as Director and Chief Executive of ELCOSMOS Electronics Ltd., Director of Electronics Test and Development Centre (ETDC), Dean of Odisha Centre for IBM Software. He is associated with the Institute since its inception in 2006. He served as a visiting Professor of many reputed Institutes in the field of Digital Electronics, Computer Organization and Architecture. His current research interests are in the field of Computational Finance and Computer Architecture.

Anjali Mohapatra

M.Tech., Ph.D.
Assistant Professor of Computer Science & Engineering

Ph No. - 0674-3060516
Email - anjali@iiit-bh.ac.in

Dr. Anjali Mohapatra is the Program Coordinator of the DST-FIST-Sponsored Bio-Informatics Lab. She teaches Design and Analysis of Algorithms and Computer Graphics. Her research areas include novel application areas of Computer Science such as Computational Molecular Biology, Soft Computing and Algorithms. She has life membership of OITS, ACM, Electronics and Electrical Engineers (ACEEE) and Odisha Physical Society (OPS).

Ajaya Kumar Dash

*M.Tech. (NIT, Rourkela), Ph.D. *(IIT Bhubaneswar)*
Assistant Professor of Computer Science and Engineering

Ph No. - 0674-3060581
Email - ajaya@iiit-bh.ac.in

Prof. Dash teaches subjects like Design and Analysis of Algorithms, Programming in C, Computer Graphics and Digital Image processing. His area of interest is Computer Vision with more focus towards augmented reality. He has 3.5 years of work and teaching experience. Some of his previous research publications include works related to image segmentation, Indian currency recognition. Currently, he is working on Augmented Reality and its applications in education.

Bharati Mishra

*M.Tech., Ph.D. **
Assistant Professor of Computer Science & Engineering

Ph No. - 0674-3060564
Email - bharati@iiit-bh.ac.in

Prof. Mishra's research interest lies in the area of Information Security. She teaches Java Programming, C Programming and Data Structure. She brings in with her more than 5 years of industry experience and has mentored the Runners Up team in IBM-The Great Mind Challenge (TGMC) from our college. She has professional membership of ACM, IEEE and Asian Wordnet. She has 4 research papers to her name and she received the Best Paper Award in CCEM Conference 2016.

Debasish Jena

M.Tech., Ph.D. (NIT Rourkela), MBA
Dean (Training and Placement) and Associate Professor of Computer Science & Engineering

Ph No. - 0674-3060519
Email - debasish@iiit-bh.ac.in

Dr. Jena has more than 15 years of Industry experience. He was consulting to Health Department, Govt. of Odisha for a period of 2 years. He is the author or co-author of over 50 publications and book chapters. His research interests are Information Security, Mobile Ad-Hoc Networks, and Network Security. His professional memberships include IEEE, ACM, ISTE, IACSIT, MIE (I), CSI, and OITS.

Hemant Kumar Pati

M.Tech. (NIT Rourkela), Ph.D. (IIT Kharagpur)
Assistant Professor of Computer Science & Engineering

Ph No. - 0674-3060526
Email - hemanta@iiit-bh.ac.in

Dr. Pati's teaching as well as research interests are Computer Networks, Mobile Computing & Software Engineering. He has published over 25 papers in his research area. He had his post-doctoral internship program in "Distributed Systems Group" in the Computer Science Department, Trinity College and University of Dublin, UK. His current area of research is Quality of Service (QoS) Provisioning in Personal Communication Networks.

Muktikanta Sahu

*M.Tech., Ph.D. **
Assistant Professor of Computer Science & Engineering
Assistant Professor of Computer Science and Engineering

Ph No. - 0674-3060561
Email - muktikanta@iiit-bh.ac.in

Prof. Sahu's research interests are areas of Machine Learning, Parallel, and Distributed Computing. He teaches Object Oriented programming, Data Structures, Operating System and Advanced Computer Architecture. His current research projects are on Parallel Computing and Process Mining. He has published his past research work in IEEE Transaction on Neural Networks.

Puspanjali Mohapatra

M.Tech., MBA, Ph.D.
Assistant Professor of Computer
Science & Engineering

Ph No. - 0674-3060557
Email - puspanjali@iiit-bh.ac.in

Dr. Mohapatra has more than 14 years of teaching experience. Her research interests are in the areas of Time Series Data Mining using Soft Computing Techniques, Medical data Classification using Machine Learning and Evolutionary Computing Techniques. She teaches Computer Organization, Systems Programming, Principles of Soft Computing, Data Mining & Microprocessor and Assembly Language Programming. She has published more than 20 papers in Journals and Conferences. Her professional membership includes IEEE, OITS, ISTD and ISTE.

Rakesh Kumar Lenka

*M.Tech. (MNNIT Allahabad), Ph.D.**
Assistant Professor of Computer
Science & Engineering

Ph No. - 0674-3060583
Email - rakeshkumar@iiit-bh.ac.in

Prof. Lenka's research interests are in the fields of Fog / Mist Computing, Internet of Things (IoT), Sensor Networks, Geographic Information System (GIS), Formal Methods. He teaches Operating Systems, Theory of Computation, Compiler Design, Software Engineering, Software Project Management and Software Testing. He has published over 30 research articles in his name in reputed Journals and Conference Proceedings. He has served as a reviewer of various reputed international journals and conferences. He is a professional member of IEEE and International Association of Engineers (IAENG).

Sanjay Saxena

M.Tech., Ph.D. (IIT-BHU, Varanasi)
Assistant Professor of Computer
Science & Engineering

Ph No. - 0674-3060584
Email - sanjay@iiit-bh.ac.in

Dr. Saxena's research interest lies in the areas of Image Processing Techniques, Medical Image Analysis and High-Performance Computing. He teaches Core Java, Advanced Java, Image Processing and Parallel Computing. He has published a number of research papers in various peer reviewed/refereed International Journals and Conferences. He is the member of IEEE, IAENG, ACM, ISOC, SCIEI and IAEME.

Rakesh Chandra Balabantary

M.Tech., Ph.D.
Dean (Academics) and Associate
Professor of Computer Science &
Engineering

Ph No. - 0674-3060514
Email - rakesh@iiit-bh.ac.in

Dr. Balabantary's research interests lie in the areas of Intelligent Systems, Information Retrieval, and Natural Language Processing. He teaches Information Retrieval, Data Mining and Web Mining. He has published over 100 research papers. He has copyrights for two softwares he had developed. He was the principal investigator of a project on the Development of Cross Lingual Information Access sponsored by GOI. He is reviewer of various reputed international journals and conferences.

Sabyasachi Patra

*M.S. (IISc Bangalore), Ph.D.**
Assistant Professor of Computer
Science & Engineering

Ph No. - 0674-3060572
Email - sabyasachi@iiit-bh.ac.in

Prof. Patra has spent two years in the industry. His research interests are in the fields of Network Security, Speech Processing and Bioinformatics. He has published 8 research papers.

Srichandan Sobhanayak

*M.Tech. (NIT Rourkela), Ph.D.**
(NIT Rourkela)
Assistant Professor of Computer
Science & Engineering

Ph No. - 0674-3060586
Email - srichandan@iiit-bh.ac.in

Prof. Sobhanayak teaches DCCN, C, C++, Data Structure, Computer Graphics, OOPs and Parallel and Distributed Computing. His research areas are Energy Efficient Scheduling and Modeling of Virtual Machines for IAAS Data Center for Cloud Computing, IOT and WSN. He has published 6 papers in reputed journals and conferences.

Swati Vipsita

M.Tech., Ph.D. (NIT Rourkela)
Assistant Professor of Computer
Science & Engineering

Ph No. - 0674-3060580
Email - swati@iiit-bh.ac.in

Dr. Vipsita's research interests are in the fields of Computational Biology, Machine Learning, Pattern Recognition, Data Mining and Soft Computing. She has authored 20 articles including both journals and conferences. She teaches Data Structure, Pattern Recognition, Data Mining, Soft Computing, Machine Learning and Software Engineering to graduate and under graduate students.

Suwendu Rup

*M.Tech. (Jadavpur University),
Ph.D. (NIT Rourkela)*
Assistant Professor of Computer
Science & Engineering

Ph No. - 0674-3060562
Email - suwendu@iiit-bh.ac.in

Prof. Rup has more than 13 years of teaching experience. His research interest lie in the areas of Image and Video Processing, Computer Vision, Machine Intelligence, Distributed Video Coding, Video Synopsis, Medical Imaging, Object and Scene Recognition, Virtual Reality for Historical Heritage, Image and Video analysis, Human Pose and Activity Recognition. He has more than 40 research papers in his name in reputed Journals and Conference proceedings. His teaching interest includes Database Engineering, Operating Systems, Information Theory & Coding, Data Structure, Image & Video Processing and Computer Vision. He is the CO-Cl of sponsored project ISEA-II funded by MeitY, GOI.

Tushar Ranjan Sahoo

*M.Tech. (IIT Kharagpur), Ph.D.**
Assistant Professor of Computer
Science & Engineering

Ph No. - 0674-3060575
Email - tushar@iiit-bh.ac.in

Prof. Sahoo's teaching interests include Switching and Finite Automata, Programming Data Structure, Computer Architecture and Operating. His domains of research are Fault Tolerance Analysis of Embedded Systems, Formal Verification of Digital VLSI and Bioinformatics.

Suraj Sharma

M.Tech. (NIT Rourkela), Ph.D.
(NIT Rourkela)
Assistant Professor of Computer
Science & Engineering

Ph No. - 0674-3060582
Email - suraj@iiit-bh.ac.in

Dr. Suraj Sharma is presently working in the area of IoT, Cloud Computing, WSN and Cyber Security. He has published more than 40 research papers in reputed International Journals and international Conferences. Currently he is supervising three Ph.D. Scholars and one M.Tech. Scholar in the field of IoT Security, WSN Localization and IoT. His teaching interest includes Database Engineering, OOPs, Wireless Sensor Networks, Theory of Computation, Compiler Design, Cryptography and Network Security, Internet of Things & Cloud Computing. He is also involved in several research communities including IEEE, IEEE Computer Society, ACM, CSI, IEI, ISRD etc. He served as a guest editor for the Journal Computers & Electrical Engineering, Elsevier and Track chair and national advisory board member for many International Conferences. He is actively involved in reviewing the research papers of many reputed journals including IEEE, Elsevier, Springer, Wiley etc. He has given several invited talks and guest lectures on IoT, Wireless Sensor Networks, Cyber security and other subjects of Computer Science.

Tapan Kumar Sahoo

*M.Tech. (HCU Hyderabad), Ph.D.**
(IIT-ISM, Dhanbad)
Assistant Professor of Computer
Science & Engineering

Ph No. - 0674-3060522
Email - tapan@iiit-bh.ac.in

Prof. Sahoo's teaching interests are Theory of Computation, Compiler Design, Database Management System, Data Structure, Discrete Mathematics and Graph Theory. His research interests are Face Biometrics, Pattern Recognition and its Applications to Real-World Problems, Machine Learning, Soft and Evolutionary Computing. He has published 6 research articles in reputed indexed journals and proceedings of international conferences.

Department of Electronics and Telecommunication Engineering

Ajith KK

*M.Tech., Ph.D. * (IIT Kharagpur)*
Asst. Professor of Electronics and Telecommunication Engineering

Ph No. - +91 9447037417
Email - ajith@iiit-bh.ac.in

Prof. Ajith has more than two years of Industry Experience as Assistant Engineer (Electrical) at Kerala State Electricity Board. His areas of interests are: Printed antennas, Metamaterials and, GPR. He teaches Optical Communication, Wireless Communication, Digital Signal Processing, Basic Electronics, Radar and TV, Satellite Communication and Telecommunication Switching Systems.

Pradyut Kumar Biswal

M.Tech. (VNIT Nagpur), Ph.D. (IIT Kharagpur)
Assistant Professor of Electronics and Telecommunication Engineering

Ph No. - 0674-3060537
Email - pradyut@iiit-bh.ac.in

Prof Biswal's teaching interests involve areas of Microprocessors, Microcontrollers, DSP, DIP and Digital VLSI Design. His research areas are Digital VLSI Architecture Design, Signal Processing, Biomedical Signal Processing, and Image Processing. He has published over 14 research articles. He is a member of IEEE and MIE.

Srinivasarao Chintagunta

M.Tech. (NIT Calicut), Ph.D (NIT Trichy)
Assistant Professor of Electronics and Telecom Engineering

Ph No. - 0674-3060585
Email - srinivasarao@iiit-bh.ac.in

Prof. Rao teaches Signals and Systems, Digital Signal Processing, Stochastic Process and Analog and Digital Communications. His research areas include MIMO-OFDM & Signal Processing for communications, Array Signal Processing, Localization of the targets using MIMO radar etc. He is also the reviewer for the journals: IET- Communications, IET - Signal Processing, Springer - Multidimensional systems and signal processing, Electronics Letters.

Bijayananda Patnaik

M.Tech, Ph.D. (IIT Bhubaneswar)
Assistant Professor of Electronics and Telecommunication Engineering

Ph No.- 0674-3060546
Email - bijayananda@iiit-bh.ac.in

Prof. (Dr.) Patnaik has more than 15 years of teaching and research experience. He teaches Optical Communication, Wireless Communication, Digital Signal Processing, Basic Electronics, Radar and TV, Satellite Communication and Telecommunication Switching Systems. His research interests includes Optical Communication System Design, Non-linear optics, Advanced modulation formats, Inter-satellite Optical Wireless Communication and Wireless Communication. He was recipient of MHRD fellowship from 2009-2011. He has published more than 40 papers in various reputed (IEEE, IET, Elsevier, De Gruyter, Springer etc.) International Journals and conference proceedings. He is a reviewer of various Journals and conference proceedings of IEEE, IET, Elsevier, De Gruyter, Springer etc.

Sanjeev Kumar Mishra

Ph.D. (IIT Bombay)
Assistant Professor of Department of Electronics and Telecommunication

Ph No. - 0647-3060544
Email - sanjeev@iiit-bh.ac.in

Prof. Mishra served as a Research Associate (2004-2005), Scientist (2005-2007) at ICRS, Visiting Faculty (2012-2013), and Assistant Professor (2014- July 2016) at IIST, ISRO, DoS, Govt. of India. His research interests include RF and Microwave Circuits and System Design, Planar Antennas Design, RADAR Systems, Wireless Communication, RF and Microwave Measurements. He has published more than 76 papers in IEEE, PIER and MOTL International and National Journals and Conferences. His research work has been cited in more than 350 journal papers. He has written a book and filed 2 patents in the field of Antennas. He received International Travel Support from DST and CSIR, Government of India to attend the international conferences. He is also a reviewer of IEEE, IETE, PIERs, and IET journals. He is Life Member of BES and Senior Member of IEEE.

Subrata Kumar Mohanty

*M.Tech., Ph.D. **
Assistant Professor of Electronics and Telecom Engineering

Ph No. - 0674-3060574
Email - subrata@iiit-bh.ac.in

Prof. Mohanty teaches Digital Electronics, Digital Signal Processing, Signal Systems and Wireless Communication. His research interest is in the domain of Image Processing. He has published five international research articles. He is a professional member of IEEE and ISTE.

Rajat Kumar Giri

*M.Tech., Ph.D. **
Assistant Professor of Electronics and Telecom Engineering

Ph No. - 0674-3060571
Email - rajat@iiit-bh.ac.in

Prof. Giri's teaching interests include Communication System, Signal Processing and Analog and Digital Electronics. His research areas include Communication System Engineering and Optical Communication. He is a professional member of ISTE and he has published 3 research articles.

Surya Prakash Singh

M.Tech. (IIT-BHU, Varanasi), Ph.D. (IIT Kanpur)
Assistant Professor of Electronics and Telecom Engineering

Ph No. - 0674-3060568
Email - suryaprakash@iiit-bh.ac.in

Prof. Surya Prakash's research interests include Microwave Material Characterization and Imaging, Tetrahertz Spectroscopy and Imaging. He has 8 research papers in reputed journals and 20 conference papers in various international conferences. He is a member of IEEE and MTTs society.

Venkata Sridhar T.

M.Tech., Ph.D.
Assistant Professor of Electrical and Telecom Engineering

Ph No. - 0674-3060592
Email - venkatasridhar@iiit-bh.ac.in

Prof. Sridhar's research interest includes Low Power VLSI, Network-on-Chip Design, Micro Electronics, System Architecture Design and System-on-chip. He has more than 13 years of teaching experience. Prof. Sridhar teaches Digital Electronics, Optical Communication, Radar Communication, Microprocessors, Microcontrollers-IoT, VLSI, Analog and Basic Electronics. He is a life member in IETE and he has published 13 research papers.

Department of Electrical and Electronics Engineering

Debani Prasad Mishra

M.Tech. (IIT Delhi), Ph.D.
Assistant Professor of Electrical Engineering

Ph No. - 0674-3060577
Email - debani@iiit-bh.ac.in

Prof. Mishra's research interests are in the field of Soft Computing, Power Quality, and Power System protection. He teaches Network Theory, Power System, Electrical Machine, Control System and Electrical and Electronics Measurement. He is a reviewer of Electrical Power Components and Systems a Taylor and Francis Journal, Elsevier Science and IET. He has published 30 research articles in referred journals and conferences. He has 8 years of teaching experience and spent 2 years in thermal powerplant.

Jayanta Kumar Sahu

*M-tech, Ph.D. **
Assistant Professor of Electrical Engineering

Ph No. - 0674-3060579
Email - jayanta@iiit-bh.ac.in

Prof. Sahu teaches Renewable Energy Systems, Electrical Machine, Electro Magnetic Field Theory & Network Theory. His areas of research include Renewable Energy Sources. He is a member of IEEE, ISRD, SCIEI, IAENG & IRED. He has published 7 research papers & conferences.

Prof. Rout teaches Power Electronics, Microprocessor and Microcontroller. His research interests are Power Electronics, Micro Controller, Embedded Systems and Robotics. He is a professional member of ISTE and Institute of Engineers, India.

Prof. Mishra teaches control systems, power electronics, electric drives and renewable energy. His research interests include modeling & control of power electronics systems, multiphase DC/ AC power conversion and utility interfaces for renewable generations. He is a professional member of ISTE and IE(I).

Prof. Subudhi teaches Power Electronics, Transmission and Distribution, Energy Conservation Devices and Control System. Her areas of research include Power Electronics and Drives, Application to Power Quality and Signal Processing. She has authored a book on Electrical and Electronic Measurement and Instrumentation. She is a member of ISTE and IEEE. She has published 3 research papers.

Prof. Rout's research interests include Sensorless Vector Control. She teaches Electromagnetic Field and Waves & Control System Engineering.

Department of Basic Science and Humanities

Dr. Nayak's teaching interests include Quantum Mechanics, Statistic al Mechanics, Condensed Matter Physics and Statistical Biophysics. His research interests include Pattern formation in excitable media and biological systems, especially, mathematical models of cardiac and uterine tissue, High-Performance-Computing (HPC) studies of mathematical models, Complex living systems, Brain dynamics, Non-linear dynamical systems and Non-equilibrium statistical physics. He has published over 10 research papers in peer-reviewed international journals. He is also a Reviewer of the Editorial Board Members of: (1) Frontiers: Computational Physiology and Medicine, (2) PLoS ONE, and (3) Scientific Reports journals; these journals are well known peer reviewed open access journals.

Dr. Sahoo's teaching interests are Engineering Thermodynamics, Mechanics, Mechanics of Solids, Machine Design, Mechanics of Composite Materials and Mechanical Vibrations. His current research area is nonlinear dynamics and evaluation of stability, bifurcation and chaos of travelling mechanical system .He has published around 10 International Journal Publications and 11 international conference papers.

Prof. Padhi teaches Mechanics and Thermodynamics. His research interests are in the areas of Conjugate Heat Transfer, solar energy and Computational Fluid Dynamics. He has published over 15research articles.

Prof. Satapathy teaches Chemistry to freshmen, Material Sciences and Environmental Engineering to Sophomores. Her teaching interests are Organic Chemistry, Polymer Chemistry, and Materials Science. She is researching on Synthesis and Characterization of New and Novel Polymer, Advanced Composites and Organic Solar Cell. She has published over 18 research articles. She also is a lifetime member of Odisha Chemistry Society (OCS) and Association of Chemistry Teacher (ACT).

Prof. Dey teaches Organizational Behavior, Principles of Management, and Entrepreneurship Development. Her teaching interests are Financial Management, Accounting for Management, Strategic Management, Marketing Management, Training & Development, and Production & Operations Management. Her research interests include Financial Management, Business Restructuring, Strategic Management; Financial Markets. She is also the Faculty-in- charge of the E-cell.

Prof. Pradhan teaches Physics and Physics of Semiconductor Devices. His research interests include Quantum Computation, Quantum Information and Laser Spectroscopy. He has been a Postdoctoral Fellow at Institute of Physics and Postdoctoral Fellow at IAMS, Academia Sinica (Taiwan). He has published over 12 research papers.

Prof. Routray with engineering background offered 20 years of progressive experience in Indian Air Force. His teaching interests are Engineering Economics & Costing, Organizational Behavior, Consumer Behavior, Entrepreneurship Development, Professional Ethics, Production & Operations Management, Marketing Management, Marketing Research, Business Research Methodology and Bio-Statistics. His research interest includes Green Marketing with respect to Solar Products. He is also the Warden of Boys Hostel & Prof-In-Charge of the Institutes Internal Security. He has published over 10 research articles.

Dr. Satapathy's research area lies in Materials Chemistry, Inorganic Chemistry & Synthesis and Luminescence Characterization of Phosphors. She has received Young Scientist Award for excellence in research. She has thirty-six research publications.

Lipika Das
Ph.D.
 Assistant Professor of Humanities

Ph No. - 0674-3060558
 Email - lipika@iiit-bh.ac.in

Prof. Das's teaching interests lie in the areas of Business and Technical Communication, Linguistics, Corporate Readiness and Interpersonal Skills, Personality Development and Translation Studies. She teaches freshmen Business Communication and also conducts lab sessions on the same. She is a professional member of Indian Association for Commonwealth Literature and Language Studies and a permanent member of Shakespeare Society of India. She has a no. of publications to her name till date and researches on Shakespeare Translation.

Shanta Kumari Sunanda
Ph.D. (IIT Kharagpur)
 Assistant Professor of Basic Sciences

Ph No. - 0674-3060578
 Email - shanta@iiit-bh.ac.in

Prof. Sunanda's teaching interests include vector calculus, numerical analysis and complex analysis. Her research interests lie in the domain of Functional Analysis. She is a professional member of Orissa Mathematical Society and she has published over 7 research papers.

Rupaj Kumar Nayak
Ph.D., Postdoc. (NTU Singapore)
 Assistant Professor of Basic Sciences

Ph No. - 0674-3060513
 Email - rupaj@iiit-bh.ac.in

Prof. Nayak teaches Engineering Mathematics, Optimization in Engineering, Discrete Mathematics, Linear Algebra & Numerical optimization. His areas of interest include Optimization Techniques, Quadratic Programming, Semidefinite Programming Problem, First-order methods for Nonlinear optimization problems. He is a member of the International Association of Computer Science and Information Technology (IACSIT). He has published 8 research papers in international journals and 7 papers in National and International conferences.

Sanjaya Kumar Parhi
Ph.D. (IIT Kharagpur)
 Assistant Professor of Basic Sciences

Ph No. - 0674-3060573
 Email - sanjaya@iiit-bh.ac.in

Prof. Parhi's teaching and research interests include Numerical Analysis. He has published 12 research papers.

Tanutrushna Panigrahi
Ph.D.
 Dean (Students Affairs) and Assistant Professor of Humanities
 Department of English

Ph No. - 0674-3060524
 Email - tanutrushna@iiit-bh.ac.in

Prof. Panigrahi is an advanced scholar of American Literature. Her areas of research interests include English and American Novel, Postcolonial Literature, Communication Studies, Critical Theory, English Literature & Language Teaching, Indian Literary History and Sanskrit Studies. She is a Fullbright Fellow. She is the State Convener for the Fullbright Fellowship Programme. She has authored two books and has many International Publications. She is a professional member of ISTE, ELTAI, USIS and ICA, Fullbright Alumni Association. She has been a visiting faculty to universities in India and abroad. She is a member of several panels.
